DEMTECH[®] Services Inc.

The Pro - Tester SE Model T-0100SE/A designed and manufactured in the USA by DEMTECH Services, Inc., provides technicians with a durable easy to use Tensiometer. Minimal setup and takedown time allow for quick and easy use of the machine.

- Lifetime calibration on microprocessor, **GUARANTEED!**
- Simple to operate. Large push-button controls and on-screen instructions.
- Cost effective. Cuts pre-weld and destructive sample testing time in half!
- Fast. Two preset grip return positions, fast “jog” switch, auto stop/return.
- Unique grip design for 1 inch (25mm) coupons and up to 4 inch (100mm) “grab” tensile.
- Accurate. Test results for peak and elongation shown on backlit LCD display.
- Affordable. The SE (single edition) is competitively priced but in a league of its own.
- Many other time and money saving features. Too many to list!
